General Building Contractors and/or Lead Renovation Firms

CHIP Owner-Occupied Housing Rehabilitation Program

The City of Greensboro is pre-qualifying licensed general contractors and/or lead renovation firms for the CHIP homeowner rehabilitation program. This program is funded by the Department of Housing and Urban Development (HUD) via the Georgia Department of Community Affairs (DCA) and will be subject to all federal program requirements and CHIP policies and procedures.

Interested contractors must submit a CHIP Contractor Application form for consideration. Application forms will be accepted on an on-going basis until completion of the program; however, only contractors that have completed the application form will receive bid packages as they become available.

A CHIP Contractor Application form and CHIP policies and procedures can be obtained from Ms. Cail Hammons, Community Development Director. Ms. Hammons can be reached by phone at 706-453-7674 or via email chammons@greensboroga.gov.

MBE/WBE and Section 3 contractors are encouraged to pre-qualify.

The City of Greensboro is committed to providing all persons with equal access to its services, programs, activities, education and employment regardless of race, color, national origin, religion, sex, familial status, disability, or age.
