Renew License Plate Registration

You should receive a renewal notice by the beginning of your registration month. If you do not receive the notice, or your balance due is not calculated in the notice, contact your County Tag Office. You may also [sign up to Go Green](#) and receive your registration renewal notices via email.

If your address has changed, have it corrected on your Georgia driver's license or ID card.

New Residents: Register 30 days from the date you move to Georgia. Register your motor vehicle, tractor, motorcycle, or trailer, and get a Georgia license plate at your [County Tag Office](#).

Georgia Residents (Casual Sales): Register within seven business days from the date of purchase. Register at your [County Tag Office](#).
